## IDAHO SOCIALISTS IN A VERY WARM CONTEST

Naming of State Ticket Results  
in Battle for Leading

in the innocence of Moyer, Haywood

der of former Governor Steunenberg.  
The convention nominated the fol-

Sensation in Parliament

Sir Edward Grey Makes Strong Speech

on Egyptian Situation.

LONDON, July 5.—Parliament and

the country were given a surprise to-

night by a sensational speech by Sir

Edward Grey, the Foreign Secretary,

on the situation in Egypt. Interest-

ing debate on foreign affairs had been

anticipated when the House of Com-

mons today took up the foreign, esti-

mates, but on account of Russia and

the Congo, rather than Egypt. Other

subjects were, however, temporarily

shelved when the House realized the

momentous character of Sir Edward

Grey's deliverance with regard to

Egypt.

Speaking in a solemn tone and amid

intense silence, the Minister declared

the recent attacks on British officers at

Tamiah were not accidental, but a de-

liberate manifestation of the fanatical

spirit which had necessitated the

strengthening of the garrison in Egypt.

and declared that unless the authori-

ties of Lord Cromer and the Egyptian Gov-

ernment was strongly upheld it might

lead to a situation requiring the adop-

tion of stern measures.

SAILOR IS SHOT

Stranger Refuses to Quit Work and

Uses His Weapon.

SAN FRANCISCO, July 5.—Charles

Ohman, a picket of the Sailors' union,

was shot in the right arm about 1

o'clock this afternoon by an unknown

man with whom he had an altercation

a few hours before, when the stranger

refused to quit work on the steamer

Vanguard, at Washington street wharf, Oakland.

Ohman had asked the stranger early

in the day to quit work, which the lat-

ter refused to do, and in the alterca-

tion that followed Ohman admitted

striking him. Ohman declares the man

walked up to him later, asked why Oh-

man had struck him, then drew a re-

volver, fired and fled, with Ohman

and several others in pursuit. He es-

caped. Ohman is not seriously in-

jured.

## THAW CASE GROWS MORE COMPLICATED

Some Evidence Tends to Show  
Trouble Between Couple  
Before Marriage.

## MRS. THAW AND ATTORNEYS MAKE A STRONG DENIAL

Existence of Affidavit Upon  
Which Suit Was to Be  
Brought Alleged.

NEW YORK, July 5.—Conflicting  
stories as to the existence or non-ex-  
istence of an affidavit made by Evelyn  
Nesbit in a breach of promise suit  
which it is alleged she took steps to  
bring against Harry K. Thaw prior to  
her trip to Europe and marriage to  
him later, were told today by persons  
interested in the investigation of the  
Thaw-White murder.

Early in the day Assistant District  
Attorney Garvan was quoted as say-

ing that there was no truth in the  
story that he expected to come into  
possession of the alleged affidavit, and  
further, that he had no reason to be-

lieve such a paper existed.

Reports Strongly Denied.

Counsel for Harry Thaw and Mrs.

Thaw herself added their denials to

the report that there had ever been

an affidavit made or contemplated.

The reports were said to have

been circulated by some enemy of

Thaw, and were wholly untrue.

Later in the day a private detective

who had been engaged by Stanford

White to shadow Harry Thaw was ex-

amined by Mr. Garvan and said he had

submitted his report to Howe & Hum-

mel and Delaney Nicoli, attorneys.

Following this came a statement, at-

tributed to the District Attorney's of-

fice, that it was known that the Nes-

bit girl had, that she did have a con-

sultation with Mr. Hummel, and it is

alleged that the affidavit in question

was the result of that interview, the

case being Mr. Hummel's personal

matter, and not a part of the office

business.

Made and Then Destroyed.

It was further stated that while the

District Attorney's office had learned

that the affidavit was really made, it

had been destroyed until the recon-

ciliation of the Nesbit girl and young

Thaw.

There was a further report current

tonight that the District Attorney's of-

fice had been informed that a record

of the alleged affidavit exists, is avail-

able, and will play a prominent part

in the evidence introduced by the pro-

secution at Thaw's trial.
